Madison Day Surgery

MDS 3 Year Anniversary

[Madison Day Surgery](#) celebrated their 3rd anniversary in July, 2020 with over 6000 surgeries to date. Madison Day Surgery provides excellence in all areas of day surgery and nursing and takes pride in bringing together leading Surgeons, in a specialist operating theatre

environment. [Madison Day Surgery](#) is committed to delivering the best quality of care for patient satisfaction and clinical outcomes in all services and treatment provided.

[Madison Day Surgery](#) would like to thank its patients, surgeons, staff, providers and contractors for their continued dedication, support and contributions. We look forward to being part of the Hornsby community for many years to come.

MDS Nurse becomes the Patient

Beloved [Madison Day Surgery](#) Registered Nurse and patient favourite, Nicky Gill, underwent bilateral cataract surgery under the expert care of [Dr Shish Lal](#). Nicky has been with MDS since its inception and was given the royal treatment by her fellow staff members.

Nicky said while she knew what to expect from the surgery, having counselled thousands of patients through the same procedure over the course of her nursing career, nothing can prepare you for when you are the actual patient. Nicky felt very cared for in such a welcoming environment and is loving her new vision!

MDS Celebrates Perioperative Nurses Week 2020

Preoperative Nurses provide care for patients in the period prior to and right after surgery. It encompasses a variety of speciality roles including admissions, circulating, anaesthetics, instrument or scrub nurse, and the recovery room. Perioperative Nurses Week is a time to celebrate our profession, our people and the essential role that nurses play in the health care equation.

[Madison Day Surgery](#) celebrated Perioperative Nurses Week on the 8th October, 2020. [Madison Day Surgery](#) would like to thank all of its perioperative nursing staff for their very real contributions and care of their patients' safe perioperative journeys.

Featured Doctors

[Dr Jerome Ha](#)

Dr Jerome Ha is an Australian-trained Ophthalmologist with specialist expertise in cataract surgery, retinal diseases, glaucoma and ophthalmic plastic & reconstructive surgery. He graduated from the University of Melbourne and has further completed a Master in Medicine, Ophthalmic Science at the University of Sydney, with distinctions in Ophthalmic Anatomy and Physiology.

Dr Ha is a RANZCO (Royal Australian and New Zealand College of Ophthalmologists) certified Ophthalmologist and fellowship trained Oculoplastic Surgeon. Dr Ha commenced training as an Ophthalmologist at the Sydney Eye Hospital, Australia and he has completed a fellowship in comprehensive Ophthalmology in Sydney and a further Oculoplastic fellowship in the United Kingdom. He has been involved in the surgical training of future Ophthalmologists both in Australia and United Kingdom.

Dr Ha has published research papers on medical retina, glaucoma and oculoplastic in peer reviewed journals. In addition to English, Dr Ha also speaks fluent Mandarin.
