

QPS BENCHMARKING

Madison Day Surgery (MDS) is part of the PresMed Australia (PMA) group of day hospitals. As part of our commitment to quality improvement, PMA adheres to the standards of the Quality Performing Systems (QPS) Benchmarking Group. QPS audits hospital data and measures our clinical outcomes against industry averages. MDS then uses these results to improve our patient care, service delivery and quality improvement.

Below are some key highlights from July to September 2017 quarterly results:
